

We welcome you to the Seashore Trolley Museum:

Transit Day 2011 is Here!

Schedule of events – Pre Show Date Edition - Saturday October 8th:

<u>10:00A</u>	<u>Museum opens!</u> Scheduled streetcar operations begin and Museum Store opens.
<u>10:30A</u>	<u>Bus operations begin.</u> Buses will operate using our shuttle route connecting our Visitors Center area with the Highwood display complex operating as needed throughout the day with rotating equipment
<u>11:00A</u>	<u>Boston El Train No's 0210/01000:</u> Making an opening mainline run to get things started.
<u>12:30P – 2:00P</u>	<u>Lunch is served!</u> Join us for hot Chili, corn bread and Hot Dogs. Vegetarian option available. Drinks and Desert all included for just 5 bucks! Serving at the South Boston Carhouse area.
<u>12:00P</u> <u>Don't miss out!</u>	<u>Photo mainline run by trip of Washington, D.C. PCC car No. 1304.</u> Interested fans and photographers will load a regular streetcar on the Visitors Center Platform, then ride to a point along our mainline where they may set up their equipment. No. 1304 will roll past outbound following the streetcar by approx 10 minutes. No. 1304 will continue all the way to Talbot park, round the loop and will do another run by inbound for the fans. The regular streetcar will follow and pick everyone up for their return to the Visitors Center.
<u>12:30P</u>	<u>Mainline trip with Washington, D.C. PCC car No. 1304.</u> This car is not yet released for regular service, a special opportunity to experience riding this superbly restored car..
<u>1:00P</u>	<u>Trackless Trolley Operation.</u> Trackless Trolleys run only on very select days, don't miss out!
<u>1:00P</u>	<u>Interborough Rapid Transit No. 3352:</u> Special operation of this 1904 car marking pioneering all steel construction and in operation for you today at over 100 years of age!
<u>2:00P</u>	<u>Photo mainline run by of MBTA Blue Line 0600 train:</u> Using the same procedure outlined above for 12:00 trip. These cars are new to Seashore and this is our very first opportunity to capture photos of the 0600s on Seashore's mainline. A true milestone for transit collections everywhere. Don't miss out!
<u>2:30P</u>	<u>Mainline trip with MBTA Blue Line 0600 train</u> to Talbot park.
<u>3:00P</u>	<u>Local Excursion:</u> A select Kennebunkport location will have Hamilton, Ontario GMC Articulated No. 518203 posed for photos with the Atlantic Ocean as a backdrop.
<u>3:30P</u>	<u>NYC "Redbirds" No.'s 7371/9327:</u> Mainline trips will run featuring this NYC favorite.
<u>4:30P on</u>	Encore rapid transit rides and bus operation. Let us know what you would like to ride again! Photo line ups and opportunities.
